

How to get to Muktuk by Car:

From Erik Nielsen Whitehorse International Airport:

- 1. Travel north along the Alaska Hwy (Hwy 1), passing by the Dawson City turn-off (Hwy 2). Continue along until you see the Muktuk sign on the right side of the road.
- 2. Drive one mile further until you see a blue sign with flags on top and a green street sign that says Husky Trail (*Km 1443*).
- 3. Turn right and follow Husky Trail at a reduced speed for about 4 kms. This road will lead you directly into the Muktuk Ranch.

Driving time from downtown Whitehorse or from the Airport is approximately 20 minutes.
